This is the first book in the “Tom Corbett, Space Cadet” series. In the 24th century every teenager from every planet, moon and rock in the solar system has a common dream: to become an officer in the Solar Guard. Three budding Space Cadets meet up at Space Academy, USA – and soon are assigned to their very own rocket cruiser, the Polaris. The Cadets-in-training must overcome turmoil and danger on their way to becoming the most storied unit in the history of the Solar Alliance. - Summary by Rich Brown
